## SPEAKERS

**Wayne Preece FWCF** – Wayne qualified as a Farrier Dip. WCF. In October 1988 with honours! After working with a number of Farriers to gain experience he started his own Farriery practice in 1994 in Settle, North Yorkshire. He shod a wide variety of horses but soon gained a reputation for shoeing lame horses working as a referral Farrier. Wayne became an approved training Farrier in 1997 training four apprentices to Diploma level, one with distinction. Wayne passed his AWCF exam in 2001. In 2004 he was employed at Myerscough College as a partime tutor working alongside Mark Caldwell FWCF. In 2006 he was employed full time at the College as head Farrier Tutor after being injured in a shoeing accident. Wayne became a qualified teacher in 2008 and gained the highest level of the Worshipful Company of Farriers, becoming an FWCF. in the same year.

In 2013 he became senior Tutor at Hereford School of Farriery until 2017 when he decided to go back to what he loved best, shoeing horses.

Wayne is a Clinician both at home in the UK as well as abroad, with regular clinics in the USA, Israel, Poland and Denmark.

Wayne is married to Kate and has two children Joshua 17 and Hollie 15.

**Andrew Tuefel RMT** – Andrew has been involved in health care for 27 years. His own personal path has involved traveling the road of injuries and pain for nearly 15 years. He has worked as a RN both in Canada and the USA, where he received training in CCU. He has been a student of Yoga with a personal practice for 27 years and has had a personal practice in Somatics for 20 years in addition to being a Registered Massage Therapist of 21 years and a Certified Hanna Somatic Educator for 15 years.

**Steve Dixon CJF** – International man of mystery! Never saw a Mic he didn't like, standup comic and king of the one liners. In his spare time Steve runs a large farrier practice in the Fraser Valley where he has trained many apprentices over the years. He lives in Maple Ridge where he raises too many horses! Steve has been on the Canadian Farrier Team 10 times! He has competed at the World Championships at Calgary, also competing at Closeburn and Stoneleigh in the UK. He has Judged the WCB World Horseshoeing Classic in Kentucky. Having said all that I'm sure he wants everyone to know that he is the 2<sup>nd</sup> most obnoxious Farrier in the Fraser Valley.

**The Association's Goal is for  
Advancement through Education &  
Communication**
