

HOOF MATTERS

DEVELOPING THE ATHLETIC HOOF

With Dr. Simon Curtis

Monday, April 10th, 2023
8:30am - 5pm

This is not just a day of knowledge; it is a day to improve hoof-care.

A day of lectures by Simon Curtis will cover his recent findings on the equine hoof capsule. Most of the new knowledge comes from his PhD and is supplemented by other research and studies. The day will take you on a journey of learning. A deeper understanding of the anatomy, physiology, and development of the hoof will lead to better practical outcomes in the hoof-care, farriery and veterinary professions.

Topics to be covered:

1. The Anatomy and Physiology of the Hoof
2. Hoof Development from Fetus to Maturity
3. How Weight-Bearing and Loading Affects Hoof Wall Growth
4. The Implications for Trimming and Shoeing from this New Knowledge

Venue:

The Murieta Inn & Spa, Legacy Room
7337 Murieta Drive, Rancho Murieta,
CA 95683 USA

Cost:

\$200 (\$150 early-bird by 3/10/23)

AFA, IAPF & WSFA member discounts.
